

The background of the entire poster is a close-up photograph of several organ pipes. The pipes are made of a light-colored metal, possibly brass or silver, and have a fluted, cylindrical shape. They are arranged in a row, with some pipes in the foreground being more prominent than others in the background. The lighting is soft, highlighting the texture and curves of the pipes.

10 Jahre Rohlf-Orgel

Sonntags um 17 Uhr
in der Evang. Johanneskirche
